

Ship Shape! Cannonballs Fantastic Lilac

GMS2522

For Quarts

Counteracts malodors without overpowering or damaging the sense of smell, and continues to work long after the pleasant fragrance dissipates. Formulated to control continuous-source odor problems, this product is especially effective for industrial use at garbage and trash sites or waste water treatment plants.

Dissolves In Water

	20ct Jar	100ct Tub	Spray Bottle
Part	GMS2522JR	GMS2522TB	GMS2522B
