

Ship Shape! Cannonballs Mulberry Blast

For Quarts

Counteracts malodors without overpowering or damaging the sense of smell, and continues to work long after the pleasant fragrance dissipates. Formulated to control continuous-source odor problems, this product is especially effective for industrial use at garbage and trash sites or waste water treatment plants.

Dissolves In Water

	Jar	Tub
Part	GMS2510JR	GMS2510TB
Size	10 gm	10 gm
Part Yield	20 Quart	100 Quart
