Proudly Made in the USA

Contains: 100 Units (20 g.)

GMS2519TB

This rich foaming coconut handsoap is formulated to lather quickly and leave skin feeling smooth and soft without a greasy film.

DIRECTIONS

Add 1000 mL of water per Cannonball. Allow Cannonball to dissolve. Gently mix before filling dispenser. Apply a single does (one press of dispenser) to hands and massage lather into skin. Rub well, adding water as required, to maintain a good lather. Rinse hands with water to carry away all dirt and grime.

WARNING

HARMFUL IF SWALLOWED. KEEP OUT OF REACH OF CHILDREN. MAY CAUSE SKIN AND EYE IRRITATION.

For industrial use only. Store in cool, dry place. Keep from freezing. Never touch with wet hands. Avoid excessive handling; use Cannonball immediately. Close container tightly after use.

EMERGENCY AND FIRST AID PROCEDURES

Skin: Wash immediately with cool water and soap. If irritation occurs, seek medical advice.

Eyes: Flush thoroughly with water. If irritation persists, get medical attention. **If Ingested:** Do not induce vomiting. Give milk, egg white, gelatin, or if not available, give water. Get immediate medical aid.

Inhalation: Not hazardous.

Contains: Trade secret, proprietary blend of surfactants and related materials. (CAS # not est.)
