NET CONTENTS: 40
10" x 12" (25.40cm x 30.48cm) Reemolished Towels

PROTECT WIPES are the fast and easy way to clean and protect all surfaces of your vehicle. Formulated with an advanced water-based silicone formula, **PROTECT WIPES** condition and protect leather, vinyl, plastic and rubber surfaces, both inside and outside the vehicle, while they clean and restore the surface's original shine.

PROTECT WIPES keep dashboards from drying, cracking and fading under the intense rays of the sun. They also clean and restore the "showroom shine" to parts: side moldings, rubber bumpers, cap holders, door and window seals and even plastic hub caps. Best of all, **PROTECT WIPES** have a special added anti-static ingredient that repels dust and keeps surfaces looking new long after they've been cleaned.

CAUTION:
May irritate eyes. Avoid contact with eyes.

FIRST AID:
If In Eyes: Flush with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical assistance.

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS/CAS NUMBER:
Water/7732-18-5; Dimethylpolysiloxane/63148-62-9; Silicone Emulsion/Proprietary; Dimethyl Ethyl Ammonium Ethosulfate/68308-67-8; Poly(toronythylene) noryphenol/9016-45-0.

DIRECTIONS FOR USE:

Wipe down all surfaces and allow to dry to the touch. Discard the towel after use.

NOTE: Do not use on steering wheel, pedals, and other instrumentation where slipperiness may present a hazard.

DIRECTIONS FOR DISPENSING:

1. Remove lid by lifting upward.
 2. Pull towel from center of the roll and thread through "H" on the underside of the lid.
 3. Close lid. Pull towel at 90° angle.
 4. Snap hinged cap back into place to ensure towels stay moist.
