## ZINC FREE FLOOR FINISH

### DESCRIPTION

Wax This! is a revolutionary blend of environmentally friendly components. Wax This! is a zinc-free floor finish and seal that was formulated using the most advanced polymer technology available today. Wax This! meets the need for a product that does not contain zinc or various other heavy metals that can be harmful to wastewater treatment systems. Wax This! has a low odor finish and has exceptional flexibility and durability. Wax This! can be maintained with high speed burnishing, spray buffing, or scrub/recoat procedures.

### DIRECTIONS

**PREPARATION:** If stripping is necessary, use a high quality stripper and follow directions accordingly. If floor is in good condition and stripping is not necessary, sweep up excess dirt and dust and then clean with a good quality cleaner to remove dirt and oils. Follow with a thorough rinsing and allow floor to dry completely.

**FINISHING:** Apply 3 or 4 liberal coats of seal and finish using a clean mop. Allow a minimum of 45 minutes drying time between coats. Apply additional coat to obtain desired gloss.

**BURNISHING:** Dust mop or sweep thoroughly. Clean floor with a neutral floor cleaner diluted according to directions. Burnish using the appropriate pads.

**RESTORATION:** Dust mop or sweep thoroughly. Dilute restorer according to manufacturers direction and apply to floor with clean mop or auto-scrubber. Allow to dry to a haze and buff out with any type of UHS equipment-propane, battery, or electric.

**RECOATING:** Dust mop or sweep thoroughly. Deep scrub using a neutral floor cleaner diluted according to directions. Apply 1 or 2 liberal coats of finish using a clean mop.

#### HAZARD STATEMENTS

May be mildly irritating to eyes and skin.

#### PRECAUTIONARY STATEMENTS

Do not get in eyes, on skin, or on clothing.

Keep out of reach of children.

Wash thoroughly after handling.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

#### STORAGE

Keep container closed to prevent drying out.

Avoid contact with skin and eyes. Wash hands before eating, drinking, smoking or using toilet facilities.

Close container after use.

#### SPILL/LEAK

Avoid walking in product. Wipe up or otherwise flush to sanitary sewer.

#### DISPOSAL

Dispose of contents/container in accordance with local, state and federal regulations.

#### INGREDIENTS

Acrylate Copolymer - (N/A), Diethylene Glycol Ethyl Ether - (111-90-0), 2,5-furandione, polymer with propene - (25722-45-6), Tributoxethyl Phosphate - (78-51-3), 2,2,4-trimethyl-1,3-pentanediol diisobutyrate - (6846-50-0), Oxidized Polyethylene - (68441-17-8), Water - (7732-18-5)

**Made in the U.S.A.**

**Part No. GMS1601**  
**Stock No. 7930-LL-N01-0709**
