Ship Shape! Cannonballs Jackhammer is specially formulated to remove various types of mineral scale caused by hard water.

DIRECTIONS:
Place one Cannonball in the washing chamber of the empty dish washer to descale. Ship Shape! Cannonballs Jackhammer can also be diluted into one quart of water. Spray onto the affected area and allow product to soak. Scrub with cloth or sponge as needed. For heavier buildup of uric salts, increase dilution by 2-3 Cannonballs per quart for maximum effectiveness.

CAUTION:
- Do not handle Cannonball with wet hands.
- Do not remove Cannonball from container prior to use.
- Store in cool dry place.

WARNING

HARMFUL IF SWALLOWED. KEEP OUT OF REACH OF CHILDREN. MAY CAUSE SKIN AND EYE IRRITATION.

For industrial use only. Store in cool, dry place. Keep from freezing. Never touch with wet hands. Avoid excessive handling; use Cannonball immediately. Close container tightly after use.

EMERGENCY AND FIRST AID PROCEDURES

Skin: Wash immediately with cool water and soap. If irritation occurs, seek medical advice.
Eyes: Flush thoroughly with water. If irritation persists, get medical attention.
If Ingested: Do not induce vomiting. Give milk, egg white, gelatin, or if not available, give water. Get immediate medical aid.
Inhalation: Not hazardous.
